

The Redesigned Prestige® IAQ

Honeywell

blend in or stand out

intelligent comfort control that reflects you

Introducing the completely redesigned Prestige IAQ from Honeywell – the most trusted brand in home comfort. It's the first thermostat with brains and beauty – for unparalleled comfort and convenience that fits your life and your style.

the most attractive way to control your home comfort system

FINALLY, A THERMOSTAT YOU'LL WANT TO LOOK AT

- Customizable high-definition, full-color display
- High-gloss acrylic frame in four color combinations

SELF-MONITORING SYSTEM TELLS YOU WHEN ACTION IS NEEDED

- Get email alerts for things like poor system efficiency or water leaks
- On-screen or email reminders for filter replacement, seasonal maintenance and more

SO INTUITIVE, IT PROGRAMS ITSELF

- Answer a few questions and the system will self-program
- Prestige also learns how long it takes to heat or cool your home; simply set the time and desired temperature and the system will run only long enough to reach desired level

CONTROL AND MONITOR HOME COMFORT ANYWHERE, ANYTIME

- Honeywell's Total Connect Comfort service lets you manage your system remotely with a computer, tablet or smartphone
- RedLINK™ wireless accessories such as sensors and remotes help you easily optimize comfort throughout your home

RedLINK Internet Gateway with Total Connect Comfort Services

Once installed by your heating and cooling professional, go online to register your account and customize your system and alert settings. Free apps available for Apple® and Android™ devices.
